

# Project of Love and Thanks to Water

- To Cleanse Water on Earth by Our Prayer of Love and Thanks -

Will you join us to say, "I love you" and "Thank you" to all the water on Planet Earth and fill it with the highest vibration (HADO) of Love and Thanks that we can possibly experience?

To convey this "Prayer of Love and Thanks to Water" to the people all over the world, we have determined July 25, 2003, as "World Day of Love and Thanks to Water".

We have a vision that on this day, our Earth will be filled with beautiful golden/silver light of Love and Thanks that is flowing from the hearts of each and every one of us. Golden/silver light is the highest vibration in the range of visible light, and it will heal and cleanse all the water on earth, be it water of the ocean or that of our own body.

We think that it is important to raise our collective consciousness in regard to water beginning now and continuing this effort as we approach the date of the worldwide event on July 25, 2003. Therefore, we invite you to host an event/ceremony, small or large, to send our Love and Thanks to all waters of the Earth simultaneously all over the world on the 25th day of every month.

It is very easy to participate in this event.  
We appreciate your cooperation.

Thank you very much.
